This is a great opportunity to own a coveted oceanfront villa inside Calafia Condos. Villa 508 sits right on the water, you will enjoy amazing ocean views all year round.

The kitchen comes fully equipped, it features granite countertops, plenty of cabinet space, and a breakfast counter for 4 persons. The dining and living rooms enjoy a beautiful ocean view. The living room comes with a fireplace and access to the oceanfront terrace through glass sliding doors. The second bedroom is on the back, it comes with large closets with mirror sliding doors. The second bathroom is just outside the bedroom and doubles as a guest bathroom. The master bedroom is very spacious, it comes with an en suite bathroom that features granite counters and a glass sliding door in the shower. The master bedroom comes with large closets with glass sliding doors and custom wooden built-ins. The oceanfront terrace is very large, it enjoys unobstructed panoramic ocean views, and it comes with a built-in firepit and outdoor grill.
